The Temple Israel is modelled after the famous Church of St. Sophie, at Constantinopie, and is one of the most graceful structures in the city. The congregation of the new temple numbers about a hundred members, among whom are some of the wealthiest Hebrews of Brooklyn. The floating debt of the church has been paid, and it enters upon its new career in a prosperous condition.

The other new church is that of the Green Avenue Baptist Society, and is located on Greene avenue, between Stuy resant and Lewis avenues. A substantial brick structure, the front of hard turned brick, with red sandstone trimmings, has been creeted, seating 750 persons.

AYER'S Sarsaparilla

FOR THE BEST

Your blood is impure and moves sluggishly. That Tired Feeling and General Debility manifest themselves in every movement you make. A SPRING MEDICINE is needed. Don't fancy that these feelings will pass off in a few days. Don't wait for your nervous system to become disordered, your heart to lose

force, or your stomach, liver, kidneys,

and bowels to fail in properly perform-

ing their duty, but take AYER'S Sarsaparilla and take it NOW. It is the best of all medicines for purifying, vitalizing, and enriching the blood. It restores the bloom of youth to cheeks which have become pallid and thin, and it vitalizes and invigorates every organ of the body. AYER'S Sarsaparilla does more than give temporary relief, it strikes at the root of the trouble, removing the conditions which make disease possible, and thus enables nature to speedily repair her losses AYER'S Sarsaparilla is composed of the best, most expensive, and highest grade alterative and tonic ingredients known to the medical fraternity and to pharmacy. The method employed for extracting and concentrating the full medicinal power and curative value of each ingredient, is the best, most scientific, and comprehensive which human ingenuity and skill ever devised, and is more expensive than other manufacturers find it profitable to adopt. AYER'S Sarsaparilla is always the same in strength, in appearance, in flavor, and in the effect produced. It is the medicine for MARCH, APRIL, MAY. It Cures Others, and Will Cure You.
